My Favorite Game

I love playing baseball with my friends. Baseball is the best sport! We always play in the summer. We play in two teams. One team is at bat and hits the ball. The other team throws and catches the ball. Catching the ball is so much fun. I think hitting the ball is a little harder. It's still fun, though.

My birthday is in the summer, and I usually have a baseball party to celebrate. I go to the park with my friends. We play baseball, and we have a picnic with lots of yummy food. We have sandwiches and watermelon. Then, my mom brings a big cake and lights the candles. I blow out the candles and make a wish. We always have a great time!
