Little Rabbit and the Garden

Little Rabbit lives on a hill with her family. Every day she looks far away. She sees another hill. There is a vegetable garden on that hill.

Little Rabbit asks her mother, "Can we go to that garden? There is so much food!"

"No," says her mother. "We can't go there."

Little Rabbit decides to go to the garden by herself. She hops down her hill. But there is a big street. There are cars going very fast on the street. They are very loud and very scary. Now Little Rabbit understands. She is sad and goes home. Her mother hugs her and gives her berries to help her feel better.
