_____ / 4

Different Instruments for Different Kinds of Music

Which instruments are common in your favorite kinds of music? The guitar is a very popular instrument. It is used in pop, rock, country, and folk music. There is even classical guitar music! The piano and the violin are also used in many kinds of music, like classical, pop, folk, and jazz music. What about the trumpet and the saxophone? You can often hear these two instruments in classical and jazz music, but they are not very common in country or folk music.

a The violin is used in classical music. **Yes** / **No**

b Not many kinds of music use the guitar. **Yes / No**

c The guitar is used in country music. **Yes / No**

d The trumpet is used in jazz music. **Yes / No**

e The saxophone is used in country music. **Yes / No**
