4 No, you	d you can.
5 Can we	e eat healthy food.
6 Yes,	f may not.

3 Read. Circle the facts and underline the opinions.

_____ / 4

Looking at the Stars

The stars are beautiful. Looking at the stars is fun, especially when you use a telescope. The telescope was invented in the 1600s. It makes things that are far away look like they are up close. Galileo was one of the first people to use a telescope to look at other planets, and also at the moon and the stars. I think he was very smart.

4 Read and complete. Use the past form of the verbs in parentheses.

_____ / 5

Remember

Remember to add *-ed* to regular verbs to show past actions.
